

Dear Members of Thomas Jefferson School 9 community;

Week of Jan 11<sup>th</sup>

This letter is to inform you that an individuals at School 9 have tested positive for Coronavirus Disease 2019 (COVID-19). The District is coordinating closely with public health officials and following CDC, state, and local health department guidance in order to ensure the health and safety of our community. **Contact tracing has been completed and any individuals who are identified as close contacts have been notified by the school nurse and will be in quarantine for ten days.**

Cleaning and disinfecting of all exposed areas will be completed. The school is taking precautions to prevent the introduction and spread of viruses and is cleaning all classrooms and offices as well as frequently touched surfaces daily. As you are aware, the custodians are required to leave notes on classroom doors verifying the cleanliness and sanitization of the classrooms.

We understand the level of concern regarding COVID-19. We encourage you to continue following the Centers for Disease Control & Prevention promoted safeguards, such as:

- Staying home when you are sick.
- Washing hands often with soap for at least 20 seconds.
- Covering coughs and sneezes and properly disposing of tissues.
- Limiting close contact with people who are sick and not sharing food, drinks and utensils.
- Practicing social distancing (staying at least 6 feet apart).
- Wearing a face covering while in school.
- Continuing to monitor your health for symptoms.
- Avoiding non-essential travel to other states and countries.

As always, we appreciate our school community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact the District Nursing Supervisor, Tana Raymond, at 973-340-5000, ext. 2318, your building principal and school nurse.
